PTA introduces

To MMJH this year!!!

What is a fun pass, you ask?? It is a new fundraiser that is also a fun program for our students! There will be 6 different events held throughout the year for the kids to spend their advisory period with their friends having a good time with light snacks, music, and several choices of activities!

If a student would like to attend these fun filled events they will need to wear a PTA Fun Pass wrist band the day of the event.
